

October 2020 Newsletter

Welcome!

Welcome Rebecca Thome to the Executive team. She is the new SCE SWE Collegiate chair!

Rebecca is a Lebanese American recently graduated from the University of Cincinnati with an MBA and BS in Mechanical Engineering, and she is very excited to take on the role as our newest Collegiate Relations Chair. She has just begun her career as a Stress Analyst for Special Missions at Gulfstream after 5 co-op rotations with the company. Outside of work, Rebecca enjoys videogaming, singing, piano playing, roller-skating, and traveling. She has loved being able to introduce young people to the world of engineering and is looking forward to strengthening the relationships between our chapter and the nearby universities.

The Collegiate Relations team can be reached at collegiaterelations.sceswe@gmail.com.

Save the Date: SWE Holiday Celebration

We will be hosting a holiday party November 14th! We are excited and hope you are too! Keep a lookout for more information.

Volunteer for Girls Engineer it Day!

This year SWE - Savannah Coastal Empire will be hosting a virtual Girls Engineer it Day (GEID) and we need YOUR help in making it possible.

GEID has been an integral part of SWE - Savannah Coastal Empire and has been successful in the past years. This year we would like to continue the tradition of bringing together STEM enthusiasts and students for a virtual GEID day on November 7th!

We need volunteer to help moderate the teachers of fun STEM projects to elementary/middle school kids. Each virtual classroom will have a cap of 20 students and every room will have a teacher and assistant teacher. The activities will be long enough to

cover 45-90 mins time slots. We are also looking for volunteers to help with engineering kit packing and distribution leading up to the event.

Please visit the [SWE website](#) to see what volunteer positions are needed and sign up.

Post and share the [event flyer](#) today!

Email Sashi Babu at sasikala.babu@gulfstream.com if you have any questions.
